

Salt dough recipe

Salt dough is easy and fun to make with your child! Children love to use their imaginations to create and mould different shapes and objects using the dough. They will have great fun decorating and painting their creations later on!

Steps

1. Preheat the oven to its lowest setting and line a baking sheet with baking parchment.
2. Mix the flour and salt in a large bowl. Add the water and stir until it comes together into a ball.
3. Transfer the dough to a floured work surface and shape into your chosen model. You can roll it out and cut out shapes, numbers or letters using biscuit cutters, or make any kind of model you can think of.
4. Put your finished items on the lined baking sheet and bake for 3 hrs or until solid.
5. Leave to cool and then paint and decorate
